## What does the Center mean to you?

As we look to the future, in light of recent state and federal budget challenges, as well as reduced donations and fewer volunteers to help things run smoothly - we're reflecting on what our Center means to our senior community, and we'd like you to do the same!

With the Center, you have friends to laugh with, affordable meals to share, a variety of activities and programming, plus so much more to keep you active and connected.

### **Without the Center, what would our community lose?**

Would you miss the meals, laughter, and conversation? Would you struggle to find affordable and accessible ways to stay healthy, connected and involved?

We want to hear from you! Let us know in the comments, via email or stop by to fill out a comment card.
